

Statement of Compliance with REACH, RoHS and TSCA

IMG Electronic & Power Systems GmbH develops and manufactures products on behalf of its customers. All goods are designed and produced in accordance with applicable directives and regulations.

REACH (Regulation (EC) No. 1907/2006)

The company IMG Electronic & Power Systems GmbH operates as a downstream user in accordance with EU Regulation 1907/2006 (REACH) of 18 December 2006. We maintain continuous communication with our suppliers to ensure that all delivered products are registered in compliance with REACH requirements. We can confirm that all relevant suppliers have committed to the preregistration of the chemical substances supplied to us. Following the publication of the first Candidate List, we can further confirm that no "Substances of Very High Concern" (SVHC) are present in concentrations exceeding the permissible limits in the products supplied by our vendors. Should you have any further questions regarding the implementation of the REACH Regulation, we are at your disposal at any time.

RoHS (2011/65/EU and (EU) 2015/863)

IMG Electronic & Power Systems GmbH hereby declares that the products manufactured on behalf of our customers comply with EU Directives 2011/65/EU and (EU) 2015/863 on the restriction of the use of certain hazardous substances in electrical and electronic equipment. This declaration applies to all manufactured products that fall within the scope of the aforementioned directives and for which no exemption applies. This statement does not apply to products that are intentionally manufactured non-RoHS-compliant at the explicit request of the customer.

TSCA (US Toxic Substances Control Act)

We confirm the following:

- No PBT chemicals prohibited under Section 6(h) are present.
- No PFAS as defined in Section 8(a)(7) are present.
- No new, non-registered chemicals under Section 5 are introduced.

We confirm that, to the best of our knowledge and based on supplier declarations, our products are free from the substances listed above and comply with all applicable legal requirements. We will promptly communicate any changes or newly obtained information.

This declaration is valid as of the date of signature. Earlier product shipments are not included.
